

Forecasting Checklist

West Salem High School 2022-2023

- 1. Watch the Forecasting PowerPoint Presentation
- 2. Check StudentVue for Math Recommendation (go to course request tab). Speak with your Math teacher if you think it is incorrect.
- 3. Review your Transcript. (In your forecasting materials and in the StudentVue documents tab)
- 4. Check out the Course Catalog for class descriptions.
- 5. Use your grade level forecasting sheet for elective options available to you.
- 6. Counselors will call you down for forecasting. Bring your forecasting sheet (completed), transcript, and your Chromebook or laptop.
- 7. Enter your course requests in StudentVue after your meeting.
- 8. Make sure you have 16 classes entered as well as 3 Alternate classes entered in StudentVue.
- 9. Turn in your forecasting sheet before you leave
